| Six credits per activity | <ol style="list-style-type: none"> 20. Complete one Mitacs Internship or Fellowship 21. Serve on the NHN Executive Committee for a one-year term 22. Attend a two-day, in-person Trainee Symposium |

Non-NMIN/Non-partner Learning Credits

Credits may be awarded for non-NMIN/non-partner events and programming if these are:

- aligned with NMIN's HQP Program Priority Areas and Strategic Goals; and
- delivered by a reputable source able to provide organizational confirmation of program/activity completion.

Activities provided by partnered organizations who have an active Memorandum of Understanding (MOU) with NMIN do not require approval for ATC credit.

Making a request

Credit recognition requests towards NMIN ATC for the completion of non-NMIN/non-partner activities must be made in writing to the NMIN Administrative Centre (leahgraystone@nanomedicines.ca), and must include:

1. a description of the activity for which credit is sought;
2. a proposed credit value for the activity (see non-NMIN/non-partner ATC credit rates, below); and
3. a rationale as to how the activity supports the participant's development in one or more of the Priority Areas and Strategic Goals of NMIN's HQP Program.

Tracking the credits

After completing an approved non-NMIN/non-partner activity for ATC credit, to register the credit to their ATC record the participant must provide the NMIN Administrative Centre (leahgraystone@nanomedicines.ca):

1. organizational confirmation of the HQP's completion of the program; and
2. a report on the three main take-aways from the learning opportunity that were relevant to their field of study.

| Non-NMIN/non-partner ATC credit rates | |
|--|---------------------|
| Duration of the learning opportunity | Credit Value |
| Two hours or less | One credit |
| Four hours or less | Two credits |
| One day or less | Four credits |
| More than one day | Five credits |
