SPONSORSHIP OPPORTUNITIES

Scientific Meeting & Trainee Symposium

NMIN's 2021 Scientific Meeting will gather the Network's pan-Canadian teams of experts, their partners and collaborators, together with other stakeholders, to further advance NMIN's innovative research and commercialization strategies for the development, translation and clinical application of nanomedicine-based diagnostics and therapeutics to benefit patients, the national health research ecosystem, and the Canadian economy.

NMIN's 2021 Trainee Symposium will offer capacity-building opportunities to the Network's talented pool of Highly Qualified Personnel (HQP), with a focus on imparting professional and personal skills, including soft skills, that complement their scientific training and will promote their becoming well-rounded, "industry-ready" professionals.

Invitation to sponsors

We invite organizations that share an enthusiasm for the revolutionary potential of nanomedicines, and that wish to help cultivate the next generation of Canadian nanomedicine researchers and entrepreneurs, to partner with us as event sponsors.

Please review our sponsorship opportunities and complete the Sponsorship Agreement, returning it by email to the NMIN Administrative Centre. For further information, please contact:

Dr. Diana Royce, Executive Director, NMIN | info@nanomedicines.ca

Terms of Agreement

- The event organizers retain the right to decline any sponsor.
- Sponsorship will be confirmed when full payment is received.
- The event organizers reserve the right to pre-approve all materials.
- The sponsor is responsible for all costs associated with supplying corporate swag and/or paper inserts for delegate bags, and with supplying materials for display.
- Sponsor to provide logo file in large, high-resolution format once sponsorship is approved.
- Sponsorship fees are in Canadian dollars, and are non-refundable.
