

Pieter Cullis  
Alumni Conference  
& 80th Birthday

SPONSORSHIP  
PROSPECTUS

11 & 12 May 2026, Vancouver

**PIETER  
CULLIS**

**ALUMNI  
CONFERENCE**

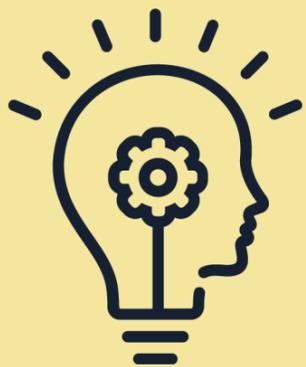

*& 80th Birthday*

With great excitement, we invite you to be part of a unique celebration of science, innovation, and community. The first-ever Pieter Cullis Alumni Conference will bring together global leaders in lipid nanoparticle research for two days of scientific exchange, culminating in an evening celebration of Pieter's 80th birthday.

**Your support will ensure this event's success and place your organization at the heart of the Alumni Lipidome.**

# PROGRAM HIGHLIGHTS

The two day program blends science, storytelling, and celebration. Alumni, collaborators, and industry leaders will gather at UBC to reflect on fifty years of innovation, share new breakthroughs, and celebrate Pieter's legacy as a scientist, mentor, and pioneer in lipid nanoparticle technologies.

## DAY 1

### **A curated selection of talks covering:**

- Pivotal discoveries and innovations shaped in the Cullis Lab
- Career journeys across academia, biotech, and entrepreneurship
- Personal stories about mentorship, collaboration, and lab memories

### **Networking and community moments**

### **Cocktail & buffet reception**

## DAY 2

### **A moderated conversation with Pieter featuring:**

- Reflections on fifty years of research
- Lessons learned from building teams and mentoring hundreds of scientists
- The evolution of lipid nanoparticle technologies
- Stories from the lab, including unexpected challenges and humorous moments

### **Networking and community moments**

### **Pieter's 80th Birthday Cocktail Dinner**
